

ONE-ON-ONE MENTORING

BaptistU HealthCORE is a community outreach program promoting the health care field and equipping students interested in health care professions. HealthCore is facilitated by Baptist Health Sciences University.

BE MENTORED

- Are you interested in health care and would like mentoring and more information about professions in health care?
- Sign up to connect with a professional already working in your desired field.
- Year-long commitment, 1-2 hours a month

BECOME A MENTOR

- Sign up to connect with 1 or more students pursuing degrees in health care
- Year-long commitment, 1-2 hours a month

Are you interested in receiving mentoring from a health care professional?
