

MLS Program Effectiveness Outcomes

Board Pass Rates

Graduates of the medical laboratory science major (MLS) are candidates eligible to earn a national board certification credential for medical laboratory science. The pass rates represent success within one-year of graduation for both the American Society for Clinical Pathology (ASCP) Board of Certification (BOC), and for the American Medical Technologists (AMT) examinations. The MLS program completion and graduation is in December.

Certification Pass Rates	Total Number of graduates sitting for AMT and ASCP-BOC exams	Total number of graduates certified AMT or ASCP-BOC within first year of graduation	Pass Rate
2024	3	2	67%
2023	5	4	80%
2022	6	5	83%
2021	6	6	100%
2020	3	3	100%

Graduation Rates

The MLS graduation rate represents students who have begun the final half of the program in January who successfully graduate the subsequent December of the same year.

Graduating Class	Number of Students	Number of Graduates	Graduation Rate
2024	4	4	100%
2023	5	5	100%
2022	6	6	100%
2021	6	6	100%
2020	3	3	100%

Graduate Placement Rates

The MLS major placement rate represents graduates who either find employment in the field or a closely related field (for those who seek employment), or continue their education within one year of graduation.

Graduating Class	Number of Graduates	Positive Placement	Placement Rate
2024	4	3	75%
2023	5	5	100%
2022	6	6	100%
2021	6	6	100%
2020	3	3	100%
