Dear «first_name»,

You have been selected to receive a HEERF III Grant (formerly named CARES Grant/HEERF I/HEERF II) as of October 28, 2021. Your specific HEERF III Grant award amount is **\$«float_in_01_HEERF_II_Amount»**. No action is necessary to receive this grant. Your HEERF III Grant amount will not apply directly towards any tuition or fees you may owe. Instead, the Business Office will be processing a full refund of your HEERF III Grant amount.

Please allow your bank account 2-3 business days for receipt of these funds if you have direct deposit, and 5-7 business days to receive a paper check.

Information about HEERF III Grant funds:

The Higher Education Emergency Relief Funds (HEERF III) made available via the ARP Act are to provide financial support to students for any component of the student's cost of attendance. HEERF III grant funds may be used by students for any component of their cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care. Students determine how they may use their emergency financial aid grant within the allowable uses.

The HEERF III Grant recipients were selected based on current Fall 2021 enrollment and recipient award amounts were prioritized for students with exceptional need.

If you have questions about the HEERF III Grant please contact us our office at financial.aid@baptistu.edu.

Sincerely,

Financial Aid Office
