

March 3, 2021

Dear «first_name»,

You have been selected to receive a HEERF II Grant (formerly named CARES Grant/HEERF I) as of March 3, 2021. Your specific HEERF II Grant award amount is **\$«float_in_01_HEERF_II_Amount»**. No action is necessary to receive this grant. Your HEERF II Grant amount will not apply directly towards any tuition or fees you may owe. Instead, the Business Office will be processing a full refund of your HEERF II Grant amount.

Please allow 2-3 business days for receipt of these funds if you have direct deposit, and 5-7 business days for paper checks.

Information about HEERF II Grant funds:

The Coronavirus Response and Relief Supplemental Appropriations (CRRSAA) Act included a second Higher Education Emergency Relief Fund (HEERF II) that provided emergency funding to institutions of higher education.

Baptist Health Sciences University has received a portion of these funds that we are required to disburse directly to eligible students via the HEERF II Grant. The HEERF II Grant funds are intended to provide financial support for costs that may arise due to the coronavirus pandemic, specifically prioritized toward students with the greatest demonstrated need.

In order to be eligible, students had to meet specific requirements established by the Department of Education. Based on these requirements you are eligible.

We hope that these funds will help relieve some of the financial burden you may have experienced due to the coronavirus pandemic.

If you have questions about the HEERF II Grant (formerly CARES Grant/HEERF I) please contact us our office at financial.aid@bchs.edu

Sincerely,

Financial Aid Office
