

ONE-ON-ONE TUTORING

For High School students:

- Interested in health care and health sciences studies
- Find one-on-one tutoring beneficial
- Work with a current BHSU student to master an area of study
- Zoom sessions available for tutoring

For more information
email Dr. Paul Criss and
paul.criss@BaptistU.edu.

Baptist University is committed to building a diverse health care system. Baptist University, along with Baptist Memorial Health Care, is building community programming designed to build success in our Mid-South and surrounding area youth.
