1. Purpose

- 1.1. To ensure professional liability insurance coverage of students

2. Policy

- 2.1. Students in the health professions are required to participate in various learning experiences as a prerequisite to successful completion of programs of study. The facilities where these learning experiences take place may require students to be covered by professional liability insurance. Accordingly, Baptist Health Sciences University has arranged to provide coverage meeting the required coverage standards to all students.
- 2.2. The annual premium for this coverage may be charged with student billing for tuition and fees. All payments must be submitted to the University Business Office.
