

**College of Health Professions
Respiratory Care Program**

Credentialing Examination Pass Rates for 2023 - 2025

Graduating Class	Number of Graduates	Credentialed Graduates	Pass Rate
2025	2	1	100%
2024	2	2	100%
2023	3	3	100%
3-Year Total	7	6	100%

Note: Program pass rates are derived from graduates who have taken the credentialing exam. For 2025, 1 graduate has not taken the credentialing exam.

Credentialing examination pass rate is defined as the number of graduates who pass, on first attempt, the National Board for Respiratory Care (NBRC) Therapist Multiple-Choice examination.
