

Nuclear Medicine Technology Program

Annual Program Graduation Rate

| Cohort Graduation Year | Number of Students Beginning the Curriculum | Number of Graduates | Graduation Rate |
|------------------------|---------------------------------------------|---------------------|-----------------|
| 2022 | 6 | 6 | 100% |
| 2021 | 5 | 5 | 100% |
| 2020 | 4 | 4 | 100% |
| 2019 | 8 | 7 | 87.5 |
| 2018 | 6 | 5 | 83% |
| 2017 | 4 | 3 | 75% |
| 2016 | 6 | 6 | 100% |
| 2015 | 8 | 7 | 88% |
| 2014 | 5 | 3 | 60% |
| 2013 | 5 | 4 | 80% |
| 2012 | 7 | 7 | 100% |
| 2011 | 7 | 5 | 71% |

Three Year Average Graduation Rate

| Cohort Graduation Year | Number of Students Beginning the Curriculum | Number of Graduates | Graduation Rate |
|------------------------|---------------------------------------------|---------------------|-----------------|
| 2020-2022 | 15 | 15 | 100% |
| 2019-2021 | 17 | 16 | 94.1 |
| 2018 - 2020 | 18 | 16 | 89% |
| 2017 - 2019 | 18 | 15 | 83% |
| 2016 - 2018 | 16 | 14 | 88% |
| 2015 - 2017 | 18 | 16 | 89% |
| 2014 - 2016 | 19 | 16 | 84% |
| 2013 - 2015 | 18 | 14 | 78% |
| 2012 - 2014 | 17 | 14 | 82% |
| 2011 - 2013 | 19 | 16 | 84% |

The program graduation rate is defined as the number of students initially enrolled in a cohort who complete the nuclear medicine technology program compared to the total number of students who graduate from the same cohort.
