

RESEARCH MINOR

The research minor consists of two pathways: Clinical research and bench research. Each pathway requires a minimum of 15 credit hours, which includes 6 credit hours of required pathway specific practicum.

Course #	Course Title	Credit Hours
Required Courses – Two trimesters of:		
HSC 305	Practicum-Clinical Research <i>or</i>	3
HSC 306	Practicum- Bench Research	3
	Total	6
Course options – 9 Credit Hours		
BIO 460	Cancer Biology	3
CHE 330	Molecular Pharmacology	3
HCM 355	Information System Project Management	3
HCM 359	Health Care Data Analysis	3
HCM 360	Quality Improvement in HealthCare	3
HCM 405	Health Care Data Mining	3
HCM 425	Health Administration Information Systems	3
HSC 350	Perspectives in Epidemiology	3
HSC 460	Undergraduate Research	1
HSC 461	Bio-technique Seminar	2
MAT 211	Statistics	3
MAT 310	Biostatistics	3
