Radiation Therapy Program Credentialing Exam Pass Rate

According to the JRCERT, credentialing examination pass rate is defined as the number of graduates who pass, on first attempt, the American Registry of Radiologic Technologists certification examination or an unrestricted state licensing examination compared with the number of graduates who take the examination.

Annual Pass Rate

Cohort Graduation Year	Graduates	Graduates Completing the ARRT Exam within 6 months of Graduation	Successful 1st Attempt	1st Time Pass Rate
2019	6	6	6	100%
2018	4	4	3	75%
2017	7	7	7	100%
2016	5	5	4	80%
2015	3	3	2	67%
2014	0	0	0	NA

5-Year Program Average

5-Year Period	Graduates	Graduates Completing the ARRT Exam	Successful 1st Attempt	1st Time Pass Rate Average
2015-2019	25	25	22	88%
2014-2018	19	19	16	84%
2013-2017	18	18	16	89%
